Leadership Masterclass Series 2024

For today's leaders in risk and insurance

An exciting Masterclass Series from Airmic providing a unique opportunity for Airmic members to hear from leading speakers exploring the very latest thinking on issues concerning today's organisational leaders in risk and insurance.

Held at distinctive venues over breakfast and designed as peer-led practical sessions for those holding senior roles within their organisations, the Masterclasses offer a 'deep dive' into key subjects concerning today's leaders.

This year's Masterclass Series has artificial intelligence (AI) as its core theme throughout and explores topics such as:

- Current and Future Trends in AI
- Ethical AI Practice
- Cyber Security, Data Privacy, and AI
- AI and the Future of Work
- The Future of AI in Insurance

FREE to Airmic members

Register your interest now by emailing leadership@airmic.com stating which Masterclasses you would like to attend.

Delegates attending all five Masterclasses receive a digital badge / micro-credential upon completion.

Please note that places are capped and offered on a first come first served basis. Therefore, by registering your interest you are occupying a place that another member may want and thus we ask that you commit to a date once registered.
