Airmic is the largest not-for-profit association in the UK and Ireland dedicated to those who are involved in managing risk or buying insurance for their organisation. With almost 2,000 members, we offer innovative learning programmes, thought leadership, events, and networking, provided with the support of our partners from the world of risk management, insurance, business, and academia.

Be part of the Airmic community and join us in Manchester for a morning of discussion and networking. Revisit established contacts, make new ones, and gain insights from experts on key business and risk management topics, including global risk, political risks, cyber and data trends, and the complexities of managing global programmes.
